## Policy Forms and Endorsements

**IT IS WOLTERS KLUWER POLICY TO LIMIT THE SALE OF BUREAU FORMS TO THE MEMBERS AND SUBSCRIBERS OF THOSE RESPECTIVE BUREAUS. PURCHASE AND USE OF BUREAU FORMS BY ENTITIES THAT ARE NOT MEMBERS OR SUBSCRIBERS TO THAT RESPECTIVE BUREAU COULD BE A VIOLATION OF THEIR COPYRIGHT.**

### ALPHABETICAL INDEX

Forms are listed alphabetically by form title.

Users are cautioned that because of occasional long delays in adoption of new or revised programs in some areas, they must be guided in the use of all forms and endorsements by their Manual and State requirements.

The Insurance Policies to which the respective form and endorsements basically apply are indicated by the following codes:

#### POLICY CODES

Because of the many methods of granting coverage under the various programs in use today it becomes impossible to cover completely all uses for the Policies and General Use endorsements in this publication. The data provided in this index under the "Policy code(s)" column cannot be complete in every respect. There has been included at least the identification provided in Bureau source material. Where general identification of the text content is desirable, effort has been made to provide any additional or qualifying statement. Users must be guided by Manual provisions and the requirements of the program being used to write the coverage.
